WELLINGTONCOLLEGIATEACADEMYWCA

Event Spotlight

Our K-2 students embarked on a hands-on learning adventure at the **Museum of Discovery & Science in Fort Lauderdale**. From interactive exhibits to exciting STEM experiences, students explored science beyond the classroom, discovering how curiosity and imagination spark innovation. It was a day filled with exploration, learning, and plenty of smiles!

Principal's Welcome

Dear WCA Families,

November has been a month filled with excitement, learning, creativity, and community! As we embrace the fall season, our students have enjoyed hands-on experiences, meaningful celebrations, and activities that showcase their school spirit and cultural pride. We are grateful for our dedicated families, hardworking students, and the strong values that make Wellington Collegiate Academy a place where faith, learning, and community flourish. **This month's newsletter highlights** all the wonderful moments we've shared and the exciting events coming up in December!

Spirit Week

November

Spirit Week brought out the creativity and personality of every student!

Our theme for each day of the week included:

- Pajama & Slippers Day
- Anything But a Backpack Day
- Superhero Day
- Wacky Tacky Hair, Socks & Outfit Day
- International & Cultural Day

Our halls were filled with laughter, color, and school pride all week long as we celebrated community, expression, and fun at WCA!

Field Trip to the Museum of Discovery & Science 10th November

Educational & Exploratory

Students had the opportunity to **engage** with a variety of **hands-on** exhibits, from exploring the physics of motion to observing fascinating creatures in the wildlife center. The museum's interactive displays helped students connect classroom concepts to real-life discoveries, making science both exciting and accessible. Watching our young learners light up as they **experimented**, **explored**, and asked thoughtful questions was a beautiful reminder of how **curiosity** fuels true learning.

Social, Emotional & Developmental

Beyond the academics, this field trip encouraged teamwork, independence, and confidence. Students navigated exhibits together, shared observations, and supported one another through each activity. Experiences like these strengthen friendships, build communication skills, and help children learn to explore the world with wonder and responsibility.

"It's not just about robots—it's about solving real-world problems through creativity and collaboration." —Avery Davis

UPCOMING EVENTS

* WCA Spelling Bee Competitions 1st – 11th Dec

Our **annual** Spelling Bee is here again, and we are excited to see our young scholars shine!

Here are the important dates:

- **Preliminary Rounds:** December 1–5
- **Semifinals:** December 8–10
- **Finalists' Preparation Day:** December 11
- **Grand Finals:** December 12 at 1 PM

Families are warmly welcomed and encouraged to attend and support our finalists!

* Winter Wonderland Concert 18th Dec

Mark your calendars for one of the most anticipated events of the season!

Join us for our annual Winter Wonderland Concert, where **students will perform festive songs, celebrate the joy of the Christmas season**, and share the warmth of community through music and creativity.

More details will be shared soon, **this is a magical event you won't want to miss!**

Cultural Feast 21st November

To wrap up **Spirit Week**, **students** and **families joined together** for our Cultural Feast, one of the most beautiful celebrations of the year. From **homemade dishes** to **cherished traditions**, each family contributed something special. Students learned about cultures around the world through food, fellowship, and gratitude. What a heartwarming way to begin Fall Break!

Closing note

We are thankful for our wonderful WCA families, dedicated staff, and the strong faith-based values that guide our school community. **You are the superheroes that make WCA who we are.** We look forward to an exciting month ahead and wish everyone a joyful start to the holiday season!
